

Fall 2011 Information Sessions for Undergraduate Nursing Programs

Prospective students are invited to attend an information session for nursing Bachelor of Science programs at SF State. We will discuss the program, admission criteria, and the application process. Due to the volume of interest in our programs we kindly request that you **RSVP for one of these sessions by clicking the date you would like to attend**. Your web browser will open a form on which you can submit your request to attend. **Specific locations will be sent via email when they're available.*
